Dear Mr. Gonzalez:

On behalf of the Summit Seniors Bocce Club, I thank you for the generous donation of your company's time to remove a tree from the area next to the Summit Bocce Pavilion. This tree had become a problem as it dropped debris onto the court, and caused a serious trip and fall problem with its roots. Without your help, the life of the Bocce Pavilion will be greatly enhanced.

The value of this donation is approximately \$2,000.00 Your staff was so efficient, safety concerned and talented. They were a pleasure to work with.

I consider myself very lucky to work in a community with individuals such as you, who are great corporate partners and good citizens.

We have paid a small tribute to you and Frank's Tree Service on our website. Please check it out by going to our website. Go to www.cityofsummit.org, advance to the Department of Community Programs Page. Click on the Sponsorship Opportunities button on the left and it will bring you to the page. Frank's Tree Service is the featured Corporate Partner of the month!

FRANK'S TREE SERVICE

Frank's Tree Service assisted in preventing falling trees and debris from falling on the Summit Seniors' new bocce court at the Summit Community Center by removing one of the trees located near its premises. Frank's Tree Service is not only a great Corporate Partner to the Summit Community, but a great neighbor as well! Many thanks to all those at Frank's Tree Service for providing a wonderful service to all of us here at the Community Center.
